RAFLI MAULANA

+6282136166298 | raflimaulanawork@gmail.com | https://www.linkedin.com/in/raflimaulana-
Jatiasih, Kota Bekasi, Jawa Barat

I'm a final-year Bachelor of Computer Science student at Respati University Indonesia. Using the Laravel framework, I've mastered HTML, CSS, JavaScript, and PHP. Has worked on Laravel website projects and was successful in developing a digital financial education service application using React Native for the most recent project. Dedicated, detail-oriented, and eager to learn new technologies and implement creative software development solutions.
